Mablethorpe and Sutton CP	<b>Trusthorpe Main Drain - Phase 3**</b>	Culverting works	551569 - 383858 to 551573 - 383819

Works on the North Somercotes North Fen Drain will involve the de-silting of the bed and re-grading of the bank and creation of a low level berm.

Works on the Water Tower Drain Branch and Trusthorpe Main Drain will involve the installation of a culvert and backfill.

All works will be carried out on one bank only which will be selected as necessary to minimise the environmental impact, following a technical and environmental survey.

The Board has undertaken an environmental appraisal and considers that the proposals are not likely to have a significant effect on the environment and does not, therefore, intend to prepare an Environmental Statement in respect of the works.

Any person or body, who wishes to make representations to the Board in relation to the likely environmental impact of these proposals, must do so in writing to the offices of the Board at the address below within 28 days of the publication of this notice.
