Works will involve the de-silting of the bed and re-grading of the banks on the above watercourses unless otherwise stated. All works will be carried out on one bank only which will be selected as necessary to minimise the environmental impact, following a technical and environmental survey.

The Board has undertaken an environmental appraisal and considers that the proposals are not likely to have a significant effect on the environment and does not, therefore, intend to prepare an Environmental Statement in respect of the works.

Any person or body, who wishes to make representations to the Board in relation to the likely environmental impact of these proposals, must do so in writing to the offices of the Board at the address below within 30 days of the publication of this notice.
